DeHaven Creek Headlands Public Meeting Agenda Saturday February 5, 2022 10:00 AM via Zoom

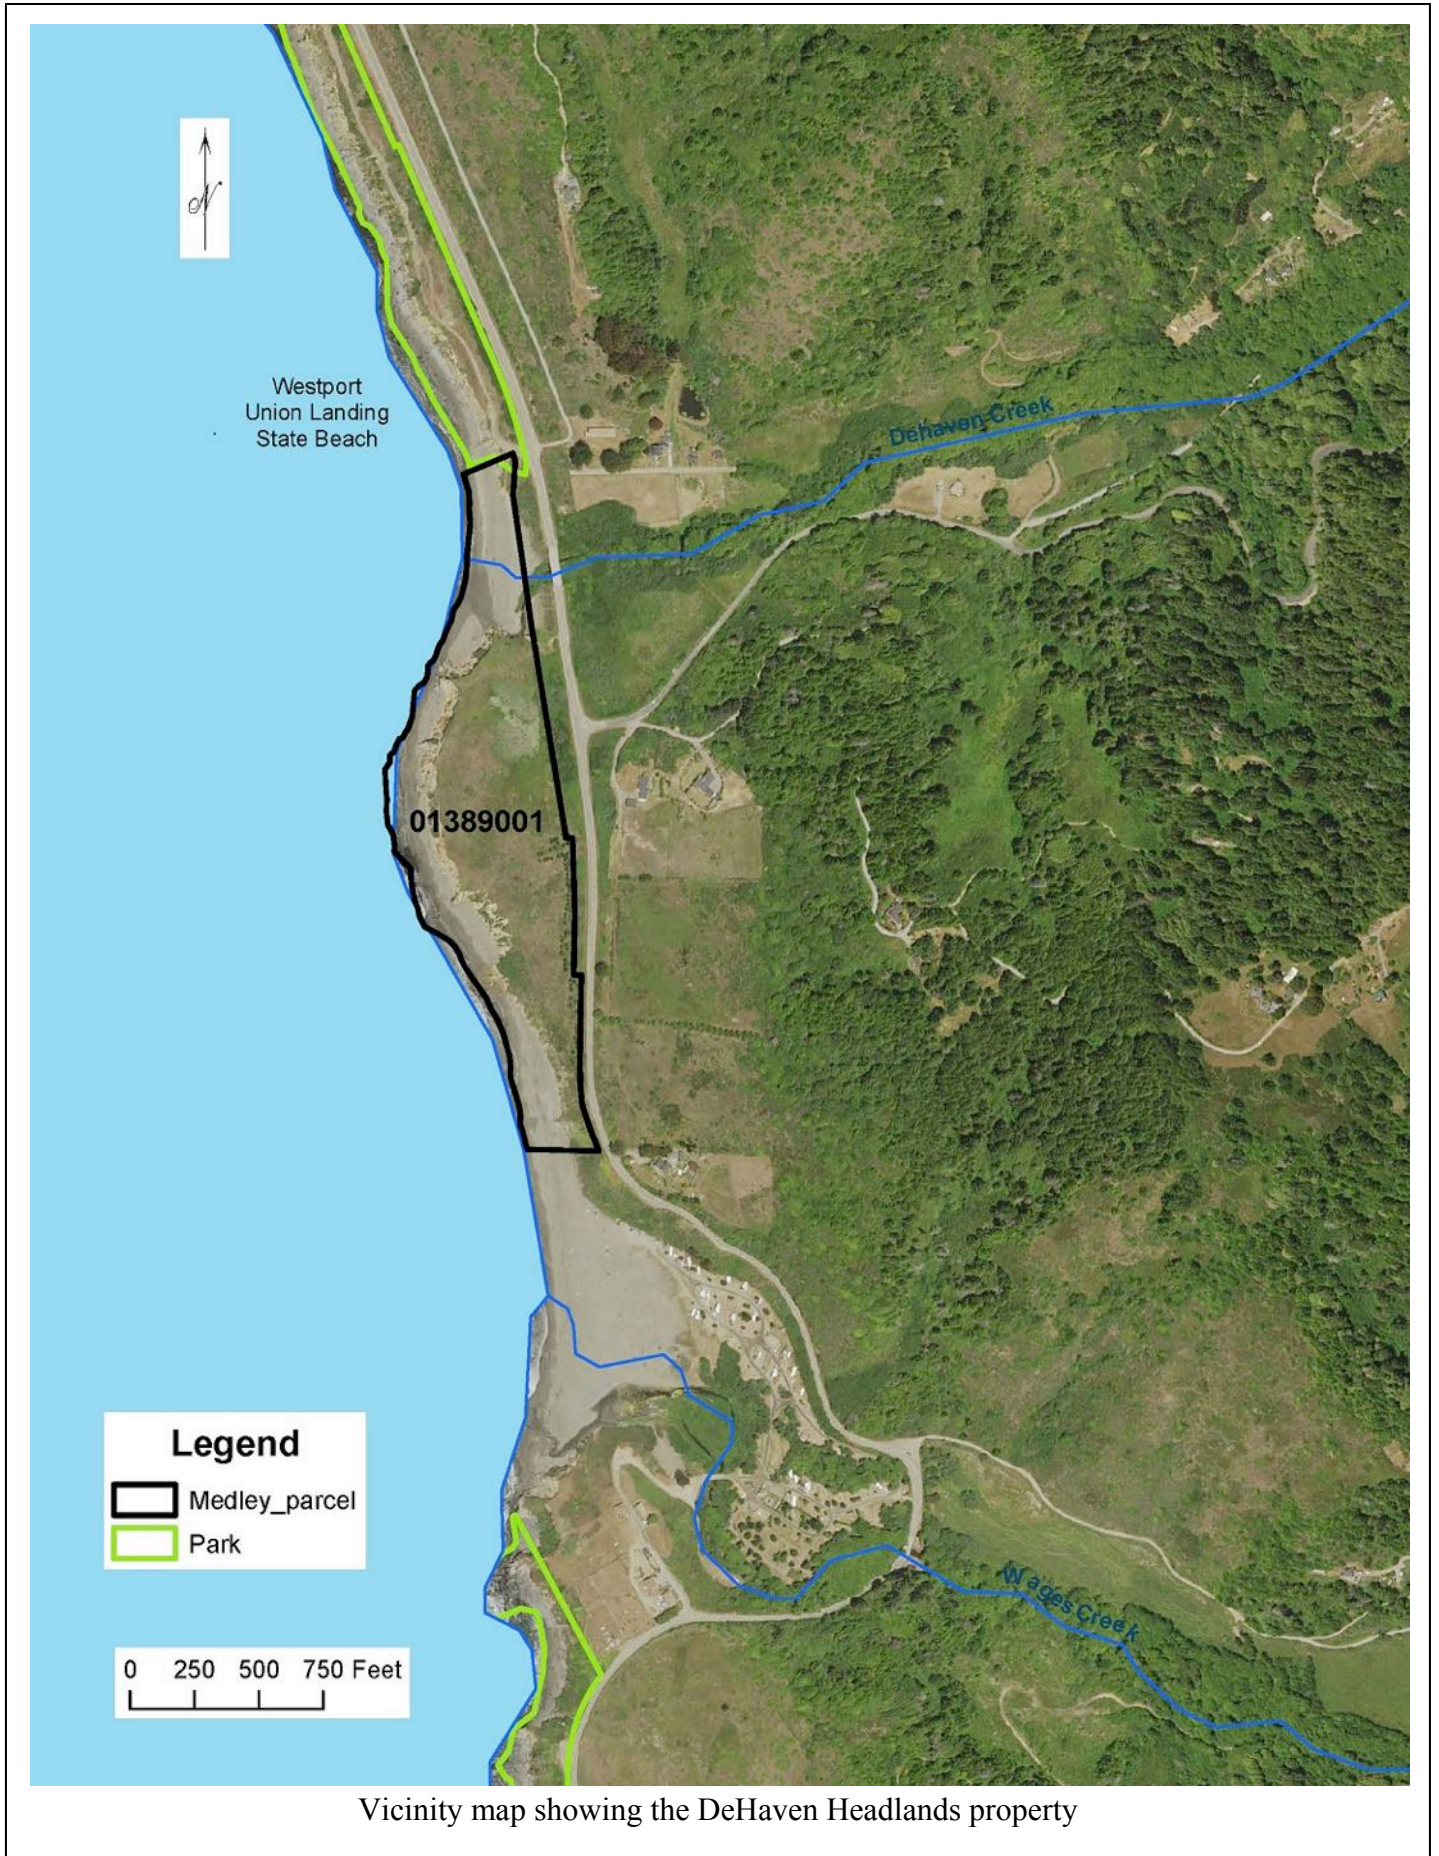

- 1) **Welcome:** Introduce ourselves and each other [2 min max]
- 2) **DeHaven Creek Headlands Opportunity:** [3 min max]
 - 2.1. Maps & photos are in the packet sent out: 26 acres, between 2 year round running creeks, beaches and headlands.
 - 2.2. Pristine/undeveloped with lots of habitat and resource values.
 - 2.3. Heavy public and traditional Native use of land and beach.
 - a) Walking, fishing, kayaking, surfing, traditional gathering.
 - 2.4. Opportunity to improve public access consistent with resource preservation and prevention of future development.
- 3) **WVS is working with owner:** [5 min]
 - 3.1. The WVS and the landowner have a Memorandum of Understanding until March 10 to commit to a deal or find another land trust to do so.
 - 3.2. Grant funding indications are good, but contribution of local funds and participation will leverage the acquisition. This is a chance for our community to be directly involved in a valuable land conservation deal.
- 4) **Our Goal for Meeting: LISTEN [60+ min Q&A]**
 - 4.1. The questionnaire is intended to initiate discussion and more questions from WVS members and everyone in the larger community.
 - 4.2. The WVS Board seeks indications of local support and participation before deciding how to proceed.
- 5) **Wrap up:**
- 6) **Field-trip:** From 1 PM this afternoon some WVS Board members will be at the property to direct anyone who would like to walk it and answer questions. We request masks if in groups. Suggest carpooling, boots, and warm clothing. This is unimproved property, no marked trails. Be prepared for a moderate hike. Best place to start is the pull out at the south end of Westport Union Landing State Beach with a walk along the bridge to the Headlands.

Westport Village Society Meeting Norms

- Does anyone have any time restrictions?
- Step up/step back, share the air, contribute and listen
- One person speaks at a time, please try to not interrupt
- Especially with Zoom meetings: please try to look up before speaking, you might miss a non-verbal signal
- Please mute when you are not speaking if it is a larger group
- Please assume best intentions, we are all on the same team and working for the same ultimate goals
- Try to be “hard on content, soft on people”
- We will take a 5 minute break after an hour and please do not talk about content during the break.
- Also, anyone can call a break at any time for any important reason
- Review of how to raise hand using Zoom animation (or using a real hand signal works as well)
- Review how to have a name, rather than a logo or phone number, for the thumbnail image everyone else sees during a Zoom meeting

SITE PLAN

1987 Aerial Oblique with Branscomb Road in center.
