## Copyright Warning

The fees outlined herein are payable to the Westport Village Society (WVS) for permission to publish materials owned by that organization. The granting of permission to use material for publication does not absolve the publisher from securing permission from the copyright owners and payment of such additional fees as the copyright owners may require if the WVS does not own the copyright or if the material is not in the public domain. Users assume responsibility for questions of copyright and invasion of privacy that may arise from publication of any supplied materials.

The copyright law of the United States (Title 17, U.S. Code) governs the making of photocopies or other reproductions of copyright material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of the copyright law.

## Conditions of Use

The applicant agrees to send the WVS one complimentary copy of the work containing the reproduction. The WVS retains all rights to reproductions of photographs including the right to grant others permission to reproduce the photographs. Additional copies must be purchased from the WVS. The photographic copy or any facsimile of it may not be reproduced beyond the intended use described in this Permission Form.

Permission for publication is granted for one-time use and only for the expressed purpose described in this contract. Any subsequent use or change in use constitutes reuse and must be applied for in writing to the WVS, and appropriate fees paid. Permission is limited to the applicant and is not transferable. Permission for use is not granted until all fees are paid and the request is signed by a duly authorized WVS representative.

Altering the original photographic image beyond standard cropping or resizing requires further discussion with the WVS. These changes must be indicated in the accompanying caption or label. Unless specifically authorized by this contract, images may not be used as a dust jacket, an end paper, nor in an advertisement or any commercial or promotional use of a similar nature, nor to mass reproduce as unbound material.

In authorizing the publication of a photographic copy, the WVS does not surrender its own right to publish that image, or to grant permission to others to do so. All rights are non-exclusive. Rights are offered for a maximum period of ten years. The WVS does not issue rights in perpetuity.

The WVS reserves the right to limit the number of photographic copies; to restrict the use of reproduction of rare or valuable material; and to charge a higher duplication fee than specified in cases where the original image is fragile or oversized.

## Credit Information

The publication or other use must properly credit the WVS. Credit should appear in close proximity to the image or in a special section devoted to credits. The preferred credit line is:

**Courtesy of the Westport Village Society, Inc., Westport CA (Catalog # \_\_\_\_\_)**

Crediting individual items is mandatory. Credit should be included with other Sources of Illustrations in film or video publications. The resolution of reproductions distributed electronically should not be greater than 72 dots per inch or 640x480 pixels with credit appearing in close proximity to the image on any electronic platform, whether distributed by internet or wireless means. Credit for images used in exhibitions must appear within the exhibition area.
