DeHaven Project Update

Westport Village
Society

The Westport Village Society has completed a grant application to acquire and plan future management of the DeHaven Creek and Headlands property. The budget for the grant includes the land purchase, additional studies, public input, preparation of a Management Plan, and the design and permitting of modest access improvements. We also met with representatives of several local tribes to open a conversation with them about facilitating traditional use of the property. An annual tribal walk on Branscomb Road took place on June 18th, culminating with festivities held at Westport Union Landing State Beach.

WVS has raised over \$21,000 over the past six months thanks to the generosity of over 50 donors. Those funds have supported many tasks necessary for the success of the project, as described in earlier articles. We are now ready to apply for grant funding from the California Coastal Conservancy. letters for the WVS grant application for the “DeHaven Creek and Headlands Acquisition Project” would be very helpful. Contact www.wvs@westportvillagesociety.org for a sample letter you can tailor with your own sentiments.

We are still raising funds for long term management of the DeHaven property. Contributions can be made out to Westport Village Society and marked “DeHaven” in the memo line. Mail them to WVS, PO Box 446, Westport CA 95488. We are also looking for help with planning and management tasks. Please contact our email address or call Thad at (707) 964-7272.

Babaji

Nothing exists by itself alone. We all belong to each other; we cannot cut reality into pieces. My happiness is your happiness; my suffering is your suffering. We heal and transform together.

Thich Nhat Hahn

Thich Nhat Hahn Discussion Group – Sunday July 10th, 10:00AM

Baile Oakes

This **Westport Community Church** discussion group is focused upon **Thich Nhat Hahn's Book: "Living Buddha, Living Christ"**. No need to have the book. We will share passages from the book and discuss how they might or might not influence how we show up for our selves and all Creation.

We request that attendees be vaccinated and we will meet according to the Church Covid precautions.

Westport Volunteer Fire Department News

WVFD

June was an eventful month for the Westport Volunteer Fire Department. We had our annual elections meeting on June 8, extrication training with CalFire on June 18, an extended 911 call on June 26, and helicopter training on June 29. Here are the results of our annual elections meeting:

- **Dan Maxey – Fire Chief, Board member and CEO**
- **Jeff Mathias – Assistant Fire Chief and Board President**
- **Ski Saunders – Fire Captain and Training Officer**
- **John Huff and Steve Goleman – Fire Captains**
- **John Allison – Board member and Secretary**
- **Ellie Kelsey – Board member and Treasurer**
- **Melinda McLaughlin – Board member**

For the extrication training we practiced rescuing passengers trapped inside a school bus. Working on a surplus bus donated by the Fort Bragg Unified School District, we used hand tools and battery-operated power tools to remove windows and doors and to cut escape hatches in the sides of the bus. Training with CalFire gave us the opportunity to learn excellent practical tips and to become familiar with the different tools each agency uses.

The extended call on June 26 involved the removal of a large diameter tree that had fallen across Usal Road, blocking access to and from Usal beach. A CalFire engine also responded to the call. After a fair amount of work the tree was removed from the road and access was restored.

Many of our 911 calls involve people with medical emergencies or traumatic injuries, and patients often need to be flown out by helicopter. Identifying and setting up landing zones, communicating by radio with incoming helicopters, and loading patients onto helicopters are skills we all need to have. More details about our helicopter training on June 29 will be provided in the next issue of the *Wave*.

Best wishes to everyone in our community for a happy and safe Fourth of July!

Wanted!! Who Is This Man?

Wanted!!

Thad Van Bueren

Who is this man? If you know, I'd love to hear from you. This is just one example from several archive boxes of photos recently donated to the Westport Village Society by the heirs of the late Nedra Lancaster, a long time collector of Westport memorabilia.

Some general clues can be gleaned from careful examination of this 4x6 inch Albumin print. This type

of photograph is printed directly from a glass plate negative, not developed. It was the dominant method of reproduction from the 1860s until the early 20th century. We also know it was taken by Aurelius O. Carpenter who lived in Ukiah from 1859 to 1919 and is the author of a County history published in 1914. Further research is likely to reveal precisely when he added a studio in Fort Bragg.

The hairstyle and dress of this man offer additional clues that suggest it was taken in the last quarter of the 19th century. He has a moustache but no beard, a style most popular in the latter part of Carpenter's career. Notice this man is wearing a chatelaine hung from a double breasted coat with a Cambridge style collar and bow tie. Use of chatelaines went out of style by the turn of the century. My guess, subject to further refinement, is 1880s or 1890s.

As donations of local history materials continue to crop up, WVS could use your help cataloguing, scanning, researching, and preserving them.
